Specifications & Inventory

Interior Layout

Juicy Fruit's interior is one of the most open and airy interiors of any sailing vessel. A large, wrap around window in the main salon allows ample sunlight. Impressive headroom and a light maple interior are some of the highlights. The galley has a 12 volt fridge/freezer, 2 burner propane stove/oven, many custom features and ample storage. Dinette is starboard and seats six comfortably. The owner's cabin is forward with a private head and shower, settee, hanging lockers and double berth that boasts a real mattress. Aft are staterooms with double berths, hanging lockers and all staterooms have plenty of storage. A day sink is in the starboard aft cabin with hot and cold pressurized water. The aft cabins share a second head/shower. Numerous, large hatches allow for great ventilation and all hatches and the companionway have screens.

Deck Layout

Ample seating surrounds the cockpit table. Running rigging is led aft through rope-clutches so the yacht can be easily sailed with just two people without leaving the cockpit. There is excellent access in and out of the water from a wide swim platform and swim ladder. A transom shower with hot and cold water is also located on the swim platform. Wide side decks provide easy access to the bow for lounging or anchoring. Overall a great deck layout.

Instrumentation

- Knot log
- Depth Sounder
- Stereo CD player
- VHF radio
- GPS
- Autopilot

Anchoring

Primary; windlass operated, plow anchor with 200' of all chain rode
Secondary; dansforth anchor with 25' chain and 175' of 3 strand nylon rode
